Oh baby
What you gonna do
Oh baby
What you gonna do
I'm sick and tired
Fooling around with you

Wake up in the morning
Get you something to eat
Before I go to work
I even brush your teeth
Come home... still in bed
Got a rag tied around your head

Oh baby
What you gonna do
I'm sick and tired
Fooling around with you

Last time I'm telling you to change your ways
I'm telling you I mean what I say
Last time I'm telling you to stop that jive
Before you find yourself outside

Oh baby
What you gonna do
I'm sick and tired
Fooling around with you

Wake up in the morning
Get you something to eat
Before I go to work
I even brush your teeth
Come home... still in bed
Got a rag tied around your head

Oh baby
What you gonna do
I'm sick and tired
Fooling around with you

Last time I'm telling you to change your ways
I'm telling you I mean what I say
Last time I'm telling you to stop that jive
Before you find yourself outside

Oh baby
What you gonna do
I'm sick and tired
Fooling around with you

Oh baby
What you gonna do
Oh baby
What you gonna do
I'm sick and tired
Fooling around with you
