Ever since the day I saw your fa-a-ace I've been makin'
plans
Seemed kinda absurd when there wasn't much for you
So I put a little word in just for you
Started makin' strategies to get you for myse-e-elf
I love your eyes, your crazy sighs were tantalizing me
Push some pride aside, mm-mm, too bad
I could run and hide, but I'd rather be ha-a-ad
Mostly it's just lonely, only being lonely by myse-e-elf
And I'm sti-ill falling for you-ou-ou, the thrill is still
brand new
No matter what I do it all begins and ends with
You ou-ou-ou (ou-ou-ou, ou-ou-ou)
He's hearin' voices, seems the choices really are but
few-ew
Hey, he makes a break, get out of there-ere
Me act like a fool, stand and stare-are
See the jokers actin' like there's nothin' happenin'
He just ate his cocktail napkin

Summer breezes through the trees as on and on it go-
oes
They began to reminisce, he walks her home
And then a kiss, the rest is known
And so we leave our hero no longer batting zero
He's in the majors now
And I'm sti-ill falling for you-ou-ou, the thrill is still
brand new
No matter what I do, it all begins and ends with you-ou,
baby
And I'm sti-ill falling for you-ou-ou, the thrill is still
brand new
No matter what I do it all begins and ends with
You-ou, ou-ou-ou, (ou-ou-ou, ou-ou-ou)
And I'm sti-ill falling for you-ou-ou, the thrill is still
brand new
No matter what I do, it all begins and ends with you-ou,
oh-oh-oh
And I'm sti-ill falling for you-ou-ou, the thrill is still
brand new
No matter what I do, it all begins and ends with you-ou
