Outside the rain begins  
And it may never end  
So cry no more, on the shore a dream  
Will take us out to sea  
Forevermore, forevermore

Close your eyes and dream[?]  
And you can be with me  
'Neath the waves, through the cave of hours  
Long forgotten now  
We're all alone, we're all alone

Close the window, come alight  
And it will be all right  
No need to bother now  
Let it out, let it all begin  
Learn how to pretend

(repeat intro)

Once a story's told  
It can't help but grow old  
Roses do, lovers too, so cast  
Your seasons to the wind  
And hold me dear, oh, hold me dear

Close the window, come alight  
And it will be all right  
No need to bother now,  
Let it out, let it all begin  
All's forgotten now  
We're all alone, all alone

Close the window, come alight  
And it will be all right  
No need to bother now,  
Let it out, let it all begin  
Owe it to the wind, my love  
Oh, hold me dear

(first four lines instrumental)  
All's forgotten now, my love,

We're all alone, we're all alone
