You say that nobody cares where you're going
And that your life don't mean nothing at all
You've heard the saying you reap what you're sowing
So plant a good seed and watch it grow tall

Somewhere a man's got no woman to turn to
Somewhere a woman is lonely and blue
Somewhere a child's got no mama to hold her
Someone is looking for someone like you

You say there's no road you'd care to travel
Nothing to say that ain't been said before
And life's a mystery that you can't unravel
Well love's the key that will open that door

Somewhere a man's got no woman to turn to
Somewhere a woman is lonely and blue
Somewhere a child's got no mama to hold her

Someone is looking for someone like you

Think of all the time you waste complaining
Think of all the good that could be done
Think of all the friends you could be gaining
If you lift your hand to help someone

You say that nobody cares where you're going
And that your life don't mean nothing at all
You've heard the saying you reap what you're sowing
So plant a good seed and watch it grow tall

Somewhere a man's got no woman to turn to
Somewhere a woman is lonely and blue
Somewhere a child's got no mama to hold her
Someone is looking for someone like you
Someone is looking for someone like you
