Saw a woman walking a one-humped camel down Fifth Street

I must be in Norco

Nah, you ain't gonna see that in San Berdu

Maybe a 5'6" gang banger walking his 200 pound girlfriend wearing a bare midriff top at Victoria Gardens

But you ain't gonna see no camel

But even in San Berdu the folks are good to you

Although that may be right I'd rather spend all night

Right here in downtown Norco

Saw an ol' boy walking across the dance floor with cowboy boots and silver spurs

I must be in Norco

Nah, you ain't gonna see that in West LA

Maybe a 45 year-old surgically enhanced blonde wearing Juicy Couture hot pants sipping a mai tai at Trader Vic's

But you ain't gonna see no cowboy

But even in West LA the folks there are ok

Although that may be true I'd rather be with you

Right here in downtown Norco

When I was a younger man I used to think deep thoughts and dream big dreams

Now I just hang around in Norco

All the problems in the world too big for me

And I'm never gonna be no hero

But lately in my mind I'm running out of time

I guess it'd be ok to spend my final days

Right here in downtown Norco

Where the ponies ride and the camels glide

And you walk across the dance floor in cowboy boots and silver spurs

And the city councilman wears a big brass belt buckle and a Stetson hat

Right here in downtown Norco
