I'm gonna tell you about the comin of the judgement
Fare thee well, fare thee well
I'm gonna tell you about the comin of the judgement
Fare thee well, fare thee well
There's a better day a comin
Fare thee well fare the well
There's a better day a comin
Fare thee well fare the well
In that great gettin up mornin fare the well, fare the well
In that great gettin up mornin fare the well, fare the well
When you see the lightnin flashin
When you see the thunder crashin
When you see the stars are fallin
When you hear the chariots callin
Good news (good news) chariots comin
Good news (good news) chariots comin
So glad (so glad) chariots comin
And I don't wanna be left out
There's a long white robe in the heavens i know
(long white robe in the heavens i know)
(long white robe in the heavens i know)
I said Good news (good news) chariots comin
Good news (good news) chariots comin
So glad (so glad) chariots comin
And I don't wanna be left out
In that great gettin up mornin fare the well, fare the well
In that great gettin up mornin fare the well, fare the well
In that great gettin up mornin fare the well, fare the well
In that great gettin up mornin fare the well, fare the well
