Now when the rich and the poor get together with the
Lord

Get together, get together with the Lord

They'll treat each other like sister and brother

When they all get together with the Lord

****Now when we all get together**

When we all get together with the Lord

They'll treat each other like sister and brother

When they all get together with the Lord

Now when the weak and the strong get together with
the Lord

Get together, get together with the Lord

The weak are no longer, afraid of the stronger

When they all they all get together with the Lord

****Now when we all get together**

When we all get together with the Lord

The weak are no longer afraid of the stronger

When we all get together with the Lord

Now when the tall and the small get together with the
Lord

Get together, get together with the Lord

They'll soon realize they're all the same size

When they all get together with the Lord

****Now when we all get together**

When we all get together with the Lord

They'll soon realize they're all the same size

When we all get together with the Lord
