Once I stood in the night with my head bowed low
In the darkness, as black as could be
And my heart felt alone
And I cried oh Lord
Don't hide your face from me
Hold my hand all the way
Every hour every day
From here to the grave
I know
Take my hand
Let me stand
Where no one stands alone
Like a king I may live in a palace so tall
With great riches to call my own
But I don't know a thing
In this whole wide world
That's worse then being alone
Hold me hand all the way
Every hour, every day
From here to the grave
I know
Take my hand
Let me stand
Where no one stands alone
Take my hand
Let me stand
Where no one stands alone
