Build An Ark Head For The Open Water
Save Your Sons And Your Daughters
Build An Ark

Build An Ark When The Storm Is Ended
You'll Know The World Has Been Mended
Build An Ark

I'm Tired of All The Villains
Tired of All The Killins'
Tired of The Men Who Make The Laws
And Break Them Any Time They Please
I'm Tired of All The Big Lies
Where Are All The Good Guys?
Sometimes I Swear I Feel The Way
That Noah Did When The Lord Commanded...

Build An Ark Head For The Open Water
Save Your Sons And Your Daughters
Build An Ark

Build An Ark When The Storm Is Ended
You'll Know The World Has Been Mended
Build An Ark

My Father And My Mother
My Sisters And My Brothers
All of The Friends That I Care About
And The Woman That I've Learned To Love
I'll Gather Them Together Promise Them Forever
We'll Be Safe From The World Around Us
All We Have To Do Is To Love Each Other

Build An Ark Head For The Open Water
Save Your Sons And Your Daughters
Build An Ark

Build An Ark When The Storm Is Ended
You'll Know The World Has Been Mended
Build An Ark

Let's Gather Them Together Promise Them Forever
We'll Be Safe From The World Around Us
All We Have To Do Is To Love Each Other

Build An Ark You Got To Head For The Open Water
Save Your Sons And Your Daughters
Build An Ark

Build An Ark When The Storm Is Ended
You'll Know The World Has Been Mended
Build An Ark

Build An Ark Head For The Open Water
Save Your Sons And Your Daughters
Build An Ark

Build An Ark When The Storm Is Ended
You'll Know The World Has Been Mended
Build An Ark
