Verse 1:

Oh my baby when you're older  
Maybe then you'll understand  
You have angels to dance around your shoulders  
Cos at times in life, you need a helping hand

Oh my baby when you're praying  
Leave your burden by My door  
You have Jesus standing at your bedside  
To keep you calm, keep you safe away from harm

Chorus:

Worry not my daughter  
Worry not my son  
Child, when life don't seem worth living (no)  
Come to Jesus and He will hold you in His arms

Verse 2:

Oh my baby when you're cryin'  
Never hide your face from Me  
Cos I have conquered hell, and driven out the demons  
(yeah) I have come with the light to set you free, set  
you free

Chorus:

Ohhh worry not my daughter  
Worry not my son  
Child, when life don't seem worth living (no)  
Come to Jesus and He will hold you in His arms

(instrumental)

Verse 3:

Oh my baby when you're dying  
Leave a healing at His hand  
Here in heaven, we will wait for your arrival  
Here in heaven, you will finally understand

Here in heaven, we will wait for your arrival  
Here in heaven, you will finally understand

Chorus:

Worry not my daughter  
Worry not my son

....

Child, when life don't seem worth living (no)  
Come to Jesus and He will hold you in His arms
