Give up, let Jesus take over
Oh, give up, let Jesus take over
Oh, give up, let Jesus take over, oh yeah
And He'll make a way for you

Well, if you've got mountains that you can't climb
Oh, and if you've got rivers that you can't cross
And if you've got valleys that you can't span
Let Jesus, let Jesus take a hold of your hand

Now if you got burdens too hard to bear
Oh, and if your load is more than your share
Kneel, kneel down, talk to Jesus because I, I know and I
know He cares
And He'll, He'll make a way, make a way for us
somehow

Sing it together, sing it, let Jesus take over
Oh, give up and let Jesus take over
Oh, give it up and let Jesus take over
And He'll make a way, say He'll make a way
He'll make a way for you
