1. the time is fast closing and his coming draweth nigh
brother are you ready to meet him in the sky
while the faith of many gets cold and the love of some
grows weak
oh keep the faith
we're almost home
chorus
oh keep the faith
oh just be strong
we will pull thru(oh yes)
oh keep the faith we're almost home
keep on praying keep on trusting and believing in his
word
oh keep the faith
we're almost home

2. though the journey may seem unending and the path
so rough and steep
just keep the faith,you will pull thru
you just lift your eyes to Jesus the perfecter of our faith
oh keep the faith
we're almost home.
