Now when the rich and the poor get together with the  
Lord

Get together, get together with the Lord  
They'll treat each other like sister and brother  
When they all get together with the Lord

\*\*Now when we all get together  
When we all get together with the Lord  
They'll treat each other like sister and borther  
When they all get together with the Lord

Now when the weak and the strong get together with  
the Lord

Get together, get together with the Lord  
The weak are no longer, afraid of the stronger  
When they all they all get together with the Lord

\*\*Now when we all get together  
When we all get together with the Lord  
The weak are no longer afraid of the stronger  
When we all get together with the Lord

Now when the tall and the small get together with the  
Lord

Get together, get together with the Lord  
They'll soon realize they're all the same size  
When they all get together with the Lord

\*\*Now when we all get together  
When we all get together with the Lord  
They'll soon realize they're all the same size  
When we all get together with the Lord
