(Jards Macalã©/Duda)

Tell me, tell me  
Oh please tell me  
Who among friends and even strangers  
Who could say that you might?  
I still remember the scene and the night  
The promise one must keep, to keep  
Them alive  
Tell me, oh, tell me  
Eu sei, nã£o me diga  
Esquecer as promessas e mantãª-las vivas  
A poesia ã© uma mina  
Quando me diz "atã© logo"  
Eu olho e me calo  
Eu nunca sei quem estãªi ao meu lado  
Vocãª sabe, continuo o mesmo  
Eu ainda preciso me olhar no espelho  
Amanhã£ ou depois  
Vocãª sabe onde me encontrar  
Eu vou ficar aqui mesmo  
Brincando, danã§ando, chorando, gritando, morrendo  
Eu sei  
Nã£o me diga a poesia  
Tell me  
Oh, oh please tell me  
Who among friends and even strangers  
Who could say that you might?  
I still remember the scene and the night  
The promise one must keep, to keep  
Oh, them alive.  
Yes, tell me, oh, tell me, oh, tell me, baby, tell me...  
Eu sei
