Boy of fiveteen
He knows everything
He dances with pain
He sees through the night
Dark Angel you know
You're gonna grow old
You died for love
You'll give in to the World
Boy of fiveteen
He knows everything
He dances with pain
He sees through the night
Dark Angel you know
You're gonna grow old
You died for love
You'll give in to the World
Keep the secret you'll give in to the World
Keep the secret you died for love
Keep the secret when you're gonna grow old
Keep the secret Dark Angel you know
Boy of the summer, boy of the spring
Boy of the winter, boy of fiveteen
Boy of the time that won't get back
Boy of the beauty, come take my hand
He'd like to give up
He'd like to fight
Like me you're pure
Like me you're wild
He'd like to live
He'd like to hide
Like me you're pure
Like me you're wild
Boy of the summer, boy of the spring
Boy of the winter, boy of fiveteen
Boy of the time that won't get back
Boy of the beauty, come take my hand
Keep the secret you've seen through the night
Keep the secret you've danced with pain
Keep the secret you knew everything
Keep the secret please boy of fiveteen
He'd like to give up
He'd like to fight

Like me you're pure
Like me you're wild
He'd like to live
He'd like to hide
Like me you're pure
Like me you're wild
You've seen through the night
You've danced with pain
You knew everything
Keep the secret please boy of fiveteen
