The guppies dup dup dup  
(Repeat dup dup dup 3X)

Verse 1 (Cube)

It's a feeding frenzy  
with guppies all around the edge  
nigga if you tryna get fed you in the red  
eat you up, beat you up  
If that don't work heat you up  
Now you wearin' white (punk)  
smellin' like Fahrenheit  
Niggas, fleas, ticks and parasites  
tryna get a crumb off the turntable  
Stick your nose in my bowl it's fatal  
you Kane I'm Abel  
Nigga you know we checkin' quotas and dollars  
nigga you no the pecking order we follow  
sayin' that we got to holla, if I can quote you  
But the king of the jungle never meet with the vultures  
never been a sucker never been fake (never)  
Never tried to make all I can make (never)  
Represent my niggas 'til the bow breaks  
but haters hate we can eat steak by the lake.

Chorus

The Guppies dup dup dup (Repeat 4X)

Verse 2 (Mack)

What a beautiful day, clear blue skies  
my murder ones block sunrays from my eyes  
Twistin' triple gold so I gotta pack heat  
Lay the titanium and flame up the street  
down the boulevard with my hand on trigger  
fools hittin' me up like who is that nigga  
Ruuff ruuff you know who it is  
Mack 10 punk top dog in showbiz  
I cocks the revolver ready to start gattin' 'em  
but what I look like set trippin' and I'm platinum  
I hesitates put down the trey eight  
keep pushing to the hood  
make sure my folks is straight

Outta control a nigga ballin' like Shaq  
gave my momma money and slid the homies sacks  
And it's like that about the bank wad  
the more cheese ya got the more killas on ya squad  
for the guppies

Chorus

Verse 3 (Cube)

Okay we hollered fake as hugs check my wallet  
driving to the crib make sure no nigga followed  
Called up the mighty one O (what you wanna do)  
turn these bitch niggas to snow (how many 1 or 2? It's  
on you)  
Westside battle cry my alibi first class  
hella high when you die  
I'm changin' standard time with the yuppies  
but fuck them to and you  
you askin' who (Mack starts at 'The Guppies')  
Brought Mack Manson back to life  
I kill niggas without a gun or a knife  
I gave the order is he dead? (yep) enough said  
and all my followers got W's on they forehead  
Murderers and they kill on command  
walk around like zombies with Techs in each hand  
For Mack and the Don wet you up like neon  
freeze you like freon you fuckin' peon  
The Guppies

Chorus

(bubbles)

Chorus

Eat you up.
