Girl I can't stand to see you cryin'
when its my own fault baby,
cause you caught my lyin'

you see my eyes
and girl you read my mind
little girl i hope you see that
we're leavin all that behind

baby i'm gonna change my ways
forever from this day, i swear
change my ways so forever our love stays
wah wah wah wah
wah wah
baby

now girl when we're together
when we're alone you and me
i swear its you forever
but baby i just hope you see yeah
i sure hope you see that

i changed my ways forever from this day
i swear that i have changed my ways
changed my ways yeah
forever our love stays, that change
wah baby come on girl
wah girl honey i swear that i
swear that im gonna change awwhh my ways
im gonna love you right
stay home tonight
wah wah wah wah
wah wah
baby

girl i bet i and girl ivebeen so blind
well yea
baby im only half the man
when youre not right by my side

now when were together when we're making love you

and me
i swear its you and me forever and baby i hope you see
the real me
open up your eyes and see
change my ways forever from this day right here and
now
i change my ways forever our love stays, it stays

i'm gonna treat ya better baby, i swear
i'm gonna love you right day and night
wah baby baby baby
change my ways forever our love stays, it stays
