Intro:

G|-----4-5-7--5-7-----|

D|---3---3-5-5-5-5-----5-7---|

A|3h5-5-3h5-5-0-----3-5-|

E|-----0-----|

The song is played mainly in the key of C so you can make variations on your

bass but most the song continues improving with the second part of the verse:

G|-----4-5-7--5-7-----|

D|---3-5-5-5-5-----5-7---|

A|3h5-5-0-----3-5-|

E|-----|

and you can find all the variations. Have fun:)
