It's not me messin' with your life  
Givin' you the trouble and strife

Blame it on my evil twin

Cheatin' at the game  
Not responsible for all your pain

Blame it on my evil twin

Well, I know he's got my name  
But I swear we're not the same

Blame it on my evil twin

Spreading the disease  
I'm just a product of society

Blame it on my evil twin

I learned it from TV  
You blame it on your parents or police

Blame it on my evil twin

I'm not to blame  
I'm not to blame  
I'm not to blame

It's not me messin' with your life  
Givin' you the trouble and strife

Blame it on my evil twin

Well, I know he's got my name  
But I swear we're not the same

Blame it on my evil twin

I'm not to blame  
I'm not to blame  
I'm not to blame

Blame it on my evil twin  
I'm not a twin  
Blame it on my evil twin  
Blame
