Looking up, I see it falling from the sky
Running in for shelter, hoping to stay dry
Soft and sweet, the water splashes on my feet
Through the streets a-flowing, liquid purity

Day after day I watch it drop
Starting to wonder if it's ever gonna stop

It's Raining again today,
Guess I'll turn my head and look the other way
It's Raining again

Looking out I see my neighbours floating by
Sink or swim, I don't know if I'll live or die

Day after day I watch it fall,
Starting to wonder as it rises to my door

It's raining again today,
Praying that our troubles will all be washed away
It's Raining again

And it keeps on falling
Keeps on falling
It keeps on falling
It keeps on falling

Day after day I watch it fall,
Starting to wonder if we have a hope at all

It's Raining again today,
Guess I'll turn my head and look the other way
It's Raining again today,
Praying that our troubles will all be washed away
It's raining again
It's raining again

And it keeps on falling
Keeps on falling
It keeps on falling
It keeps on falling
It keeps on falling and falling...
