Lord, I think I'm goin' down  
Yes, I know that's where I'm bound  
So don't ask me where I'm goin'  
'Cause I think I'm goin' down

Now once I had a wife and family  
And a household sweet and kind  
Then the darkness overtook me  
And I just left all that behind

Lord, I think I'm goin' down  
Yes, I know that's where I'm bound  
So don't ask me where I'm goin'  
'Cause I think I'm goin' down

Now my travellin' days have started  
Yeah, I ramble and I roam  
But no matter where I'm stayin'  
I can't shake my happy home

Lord, I think I'm goin' down  
Yes, I know that's where I'm bound  
So don't ask me where I'm goin'  
'Cause I think I'm goin' down

Lord, I think I'm goin' down  
Yes, I know that's where I'm bound  
So don't ask me where I'm goin'  
'Cause I think I'm goin' down
