{Verse 1: Mr. Ivan (MF as Devil)}  
From time to time I hear that voice inside my mind  
Me thinks me going crazy, I hear that voice all the time  
Reminisclin' on the time I need a come up  
Then went paranoid now I need to jack a nigga to make  
a buck  
Double-up on a motha fucka with some bankin  
Jackin by to shootin on top of cats and leavin them  
stankin  
I hear that voice in my head sayin (KILL A BITCH!)  
Picked up me 9, he started tellin me this:  
(IF YOU KILL THAT NIGGA I'MA GET YA LITTLE BUICK  
FIXED  
HELP YOU GET SOME RIMS, A PAINT JOB, A STEREO AND  
SHIT!, [HAHAHAHA])  
See now I'm squirmin about the deal that was made  
Did what I had to do, did all the tricks of the trade  
I killed that nigga and my very wish was granted  
Just like a flower in the ground this nigga was plantin  
Now thats a job well done, with a Ruger 9 gun  
Now I'ma murder the devil got me sprung nigga  
(YOU DO OFF WITH THEM I'MA GIVE YOU A HOE, GET YA  
NOTE UP  
YOU'LL GET ALL YOUR DOPE DEALS IN THE  
MELPHAMEINE!)  
Its all good, now i carried the dots with the quickness  
I kill 'em all dead, I'm slingin that blood on that ass  
bitch  
I made that come up, not caught slippin, they comin to

Blast on that ass until I'm sittin (UP IN MY ROOM!) fuck

Addicted like they was Tic-Tacs, fa the crew I'm gettin

CHEST!)

So I could end up in a coffin?

(DO WHAT I SAY AND I'MA HANDLE THE REST, YEAH!)

He got me dreamin fa the lies he been told me

Weither you know it or not its just the Devil thats

Sheeit there aint no way for me to get out, I'm strung

This voice is screamin inside me: "Do what I'm sayin

I started murderin, robbin, slangin that white shit

Bleedin to death, when the police shit done pull
