(Lucky lips, lucky lips)
(Lucky lips, lucky lips)

When I was just a little girl
With long, silky curls
My mama told me, honey
You've got more than other girls

Now, you may not be good looking
But you'll still wear diamond clips
And you'll never have to worry
'Cause you've got lucky lips

[CHORUS]
Lucky lips are always kissin'
Lucky lips are never blue
Lucky lips will always find
A pair of lips that will be true

[VERSE]
I don't need a four leaf clover
Rabbit's foot or good luck charm
With lucky lips I'll always have
A fellow in my arms

(With lucky lips I'll always have
A fellow in my arms)

I'll never get heartbroken
No, I'll never get the blues
And if I play that game of love
I know I just can't lose

When they spin' that wheel of fortune
All I do is kiss my chips
And I know I picked a winner
'Cause I've got lucky lips

[Repeat CHORUS]

[Repeat VERSE]

(Lucky lips, lucky lips)
With lucky lips I'll always have
A fellow in my arms
