Now is the hour
When we must say goodbye
Soon you'll be sailing
Far across the sea

[VERSE 2]

While you're away
Oh Ben, remember me
When you return
You'll find me waiting here

Though our days together
Have been so very few
They've been so very precious

And when you're far away
Only memories of these treasured moments we've
spent together
And hope that maybe someday you'll return

Yes only these things can make me endure the torture
of loneliness that is certain to come to me when you're
gone
I'll miss you so much

And remember darling

[Repeat VERSE 2]
