"On Treasure Island"

I sailed away to treasure island
And my heart stood still
When I landed on the silvery shore

We met that day on treaure island
And the smile you gave
Was a treasure I'd been craving for

Then came those moments of bliss
In the shade of the sheltering palms
I still remember your kiss
As you nestled within my arms

[VERSE 4]

I looked for gold on treasure island
And I found that gold
When you gave your golden love to me

[Repeat VERSE 4]
