I'm happy to be sad
I'm happy to be sad
I'm happy to be sad
I'm happy to be sad

I'm sad because I'm happy
And I'll throw my cares away
I love to see the clouds
Ruin a sunny day

I'm happy to be sad
I'm happy to be sad
I'm happy to be sad
I'm happy to be sad

I'm sad because I'm happy
And I'll throw my cares away
I love to see the clouds
Ruin a sunny day

I'm happy to be sad
I'm happy to be sad
I'm happy to be sad
I'm happy to be sad

I'm sad because I'm happy
And I'll throw my cares away
I love to see the clouds
Ruin a sunny day
