Someone put me on a plane  
Goodbye farewell adios my friend  
I need a holiday  
S.A.S. is taking of again

I wanna have my fun  
Where the nights are long  
We wanna go away  
Where the sun will always shine  
We're in heaven 2.9

Or just put me on a train  
Goodbye farewell adios my friend  
Tell her I said hey  
And I might not come home again

I wanna have my fun  
Where the nights are long  
We wanna go away  
Where the sun will always shine  
We're in heaven 2.9

We're in heaven 2.9

A London queen  
Tokyo teen  
A frisco fag in the disco scene  
A New York doll  
And the Berlin boys

Can i ride in your car  
Goodbye farewell adios my friend  
Vacations at the jet set sunset bay  
My girls are drivin' me insane

I wanna have my fun  
Where the nights are long  
We wanna go away  
Where the sun will always shine  
We're in heaven 2.9

We're in heaven 2.9

We're in heaven 2.9
