It's okay if you don't see things
The same way that I do
It's okay if I follow you when
You don't want me to

Whoa, whoa, it's alright
Whoa, whoa, it's alright
Whoa, whoa, it's alright

It's just fine when you say all the things
I don't want to hear
It's just fine when I do the things
I do to get you near

Whoa, whoa, it's alright
Whoa, whoa, it's alright
Whoa, whoa, it's alright

And when try to get away
I'll be there for you anyway
Don't try to turn
Your back on me

And when you sense that I'm not far
It doesn't matter where you are
Don't try to turn
Your back on me, hey

But I don't care if you don't want to remember
What has passed
I don't care if I keep in mind when
I have seen you last

Whoa, whoa it's alright
Whoa, whoa it's alright
Whoa, whoa it's alright
