He Will Break Your Heart  
Jim Gold & Gallery

He don't love you like I love you  
If he did he wouldn't break your heart  
Ah, he don't love you like I love you  
He's dying to tear us apart

Fear thee well I know you're leavin'  
All the new love that you have found  
Or that handsome guy that you've been dating  
Oh, I got a feeling he's gonna put you down, hey

He don't love you like I love you  
If he did he wouldn't break your heart  
He don't love you like I love you  
He's trying to tear us apart

Musical Interlude...

And when the final act is over  
and you're left standing all alone  
Aw, when he takes his bow and makes his exit  
Oh, I'll be there to take you home, honey

He don't love you... aw, like I love you  
If he did he wouldn't break your heart  
Ah, he don't love you like I love you
