I want to see the world  
I like to know intuition  
I want to free the words  
But now I'm holding a vision  
Close enough to feel your warmth  
Like I've always been searching  
Close enough to turn me on  
Seems it's everywhere  
In my head in my mind  
I need to be aware  
I'm gone to float in the ocean  
I need to be alert  
Now there's a growing emotion  
Close enough to swallow deep  
It's like I've always been waiting  
Close enough to drink a smile  
Now it's everywhere  
In my head in my mind  
I won't let you go  
I won't let you down  
I won't let you fall

I got you

In my head in my mind
