she was always craving
waiting for the turn
you must have killed me
i'm losing control
tryin hard to get you
but you went away
she was almost raving
and goin insane
if i go on will you lead me in
if i go on will you follow
where i go what do i see
am i still part of this
what do i learn
what remains
feeling start replay
another foolin way
i keep on yearning
to be there
if i go on will you lead me in
if i go on will you follow
i feel you growing in me

and i keep you down in my world
