"House Of Ecstasy"

If you want pleasure for free
Some French company
Take a ride to the House of Ecstasy
Take a ride with me

Time stands still for each pleasure and thrill
Meet the love of your life
With looks that kill
Oh I know you will

Chorus
So boy take a ride
To the House of Ecstasy
Once you come
You'll never leave
The House of Ecstasy
Take a ride with me

It'll stimulate your passions
Ease your insecurities
With their perfume pillows and satin sheets
Someone told me it's the All-American dream
Oh what a scream

Chorus
Guitar solo
Chorus

If you want pleasure for free
Some French company
Take a ride to the House of Ecstasy yeah
House of Ecstasy yeah
House of Ecstasy
