"Against The Wind"

Visit "[Against The Wind](#)" on MotoLyrics.com

Once again I try to make things work
facing all the power of society
Searching all the answers of the life
Ill never make it on my own

Was I meant to fail everytime
Seems to me thats my destiny
Is this all thats left to me
Confusion and bad memories

But now my time has come
No more running in the dark
I want much more than this
I really want it all

Against the wind we run
to every place under the sun
Weve got so much power inside
We will never give up
Against the wind we go
towards the new shore
together well forget the sorrow
its forever gone
