Destiny is calling you, passing through your edge of
heart

We're not a loss anymore, and look up your future...
OH, YEAH!

Mou mayou koto nado nai
Nayami tsudzukeru koto mo nai

Miageta sono toki, subete ni kidzuita
Ima made no ayamachi wo

Jibun wo miushinaisou ni naru koto nante, mou nai hazu
Jada hitotsu no onaji hoshi wo miteru

Destiny is calling you, passing through your edge of
heart

We're not a loss anymore, and look up your future
And surely, we'll unite once again
We're filled with power
Don't lose the past
Gone with the steel

Mou nigeru koto nado nai
Kakae tsudzukeru mono mo nai

Miageta sono toki, subete ni kidzuita
Ima made no ayamachi wo

Jibun wo miushinaisou ni naru koto nante, mou nai hazu

Tada hitotsu no onaji hoshi wo miteru

Destiny is calling you, passing through your edge of
heart

We're not a loss anymore, and look up your future
And surely, we'll unite once again
We're filled with power
Don't lose the past
Gone with the steel

Ima ni mou kaesou datta hikari yo, mou ichido
michibike

Tada hitotsu no onaji hoshi wo miteru

Destiny is calling you, passing through your edge of
heart

We're not a loss anymore, and look up your future

And surely, we'll unite once again

We're filled with power

Don't lose the past

Gone with the steel

Destiny is calling you, but you don't believe it

Keeper of the resurrection is standing alone

And surely, we'll unite once again with strong faith

Live to survive, live for my life

Just like... those stars!
