Calling all the creature in my mind  
You know that hate is full in my mind  
The black cloud covers the sky above

I just feel the fire of my soul  
I take my own heart to that hell  
To hell...

Oh, the cursing is my comfort  
The friendship had ended  
Now carry out for today  
Remembrance is in the dark  
It took so long to find my way  
Carry out  
I don't hear your cry

I just break all of our building  
I know I must take sad decision  
You change the rage into the power  
You're confused by the reality

I just feel the fire of my soul  
I take my own heart to that hell  
To hell...

Oh, the cursing is my comfort  
The friendship had ended  
Now carry out for today  
Remembrance is in the dark  
It took so long to find my way  
Carry out  
I don't hear your cry

I just feel the fire of my soul  
I take my own heart to that hell  
To hell...

Oh, the cursing is my comfort  
The friendship had ended  
Now carry out for today  
Remembrance is in the dark  
It took so long to find my way

Carry out  
I don't hear your cry

The cursing is my comfort  
The friendship had ended  
Now carry out for today  
Remembrance is in the dark  
It took so long to find my way  
Carry out  
I don't hear your cry
