Suddenly!
The things come to me It's dawn
Great hurry!
Run without taking a rest
Lose control!
The things begin to riot
I'm in cold!
Run without taking a rest

Go away!
I'll have to confront danger
Go highway!
Run without taking a rest
Kill the things!
The things keep on rioting
Beat the things!
Run without taking a rest

It's so hard on me
Thunder runs through my heart
My body does not move
I regret but is it too late?

I say,
"No more!"
I won't give up on my luck
"Why not!"
I keep on fighting it back
"Take the chance!"
I won't be stuck here any more
Feel free already!
"No way!"
I know I can still stand up
"Not yet!"
I feel my chance is right up
"Grab it now!"
It'll be coming up anytime
So, just get ready!

Overlook!
Never done anything wrong It's true

Don't fall sick!
I wanna change the world
Lose control!
The things begin to riot
I'm in cold!
I wanna change the world

It's gnawing at me
I break into a sweat
My body becomes stiff
I regret but is it too late?

I say.
"No more!"
I won't give up on my luck
"Why not!"
I keep on fighting it back
"Take the chance!"
I won't be stuck here any more
Feel free already!
"No way!"
I know I can still stand up
"Not yet!"
I feel my chance is right up
"Grab it now!"
It'll be coming up anytime
So, just get ready!
