Cody, Mad Gear, Haggar, vengeful, slums, uptown,  
subway, Hollywood, 2P, Axel,  
Sodom, Thrasher, katana, barrels, dynamite, burger

Subway, city, violence, cage  
Thriving on the streets of rage

My car, street fighter, wheelchair, pipe knife, glazed  
ham, trash can, Molotov, Jenny  
Get the fuck up out of that chair it's you  
I'm battering now  
Armies of the night combined can't stop revenge  
somehow  
A moustache-wielding mayor with two-fisted slamming  
power  
To save my daughter and eat the hams is the order of  
the hour
