And I love to tie you up

And you love to let me down

We both try to cover it up

With a sound

You ain't my buttercup

I ain't your little fool

I know that ain't a part of the deal

We're through

It's just a matter of time

It's just a matter of time

And I'd love to share the cost

Butterfly

The reason why we need to fly, high away

It's just a matter of time

It's just a matter of time

Before we're thrown back in the wheel!

Before we're thrown back in the wheel!

Baby, I'll be hard pressed

Maybe we're more simple too

Ain't a region of water!

Before we're thrown back in the wheel!
