Hail hail

The gang's all fear

Going through devotion

Shibboleth share

Tall talk

Stall and break down

To make room for elation

Avatar clown

Go

Wander through the far sign

Please please find

The circle and the long line

Slide home

Ding dong

The hitch has fled

So ring unbroken bell hymn

Leave person unread

Old young

Chasing that train

Slow fast action inside

Soak soul rend rain

Go

Wander through the far sign

Please please find

The circle and the long line

Slide home

I'm going back again

To ring around rose fire

I'm going back again

To dig deep law and higher

Go

Wander through the far sign

Please please find

The circle and the long line

Slide home

Go...
