The land our forefathers was
A circle of love and trust
A golden smokin victory
And who knew what the future would bring
And now I'm at the end of the line
Tryin' it all the time
And you've got the baddest car
Yes you know who you are
You know who you are
So give it to me
Come sweet emotion
Show us how to ride
Give us a wink
Hitch up the saddle
Riden off with pride
Shoot your gun
There's no religion
This is supposed to be fun
Come sweet emotion
Come sweet emotion
A purple shootin magazine
Another gift to the lovin' Queen and a

Yes ya got down cause ya felt like a that

Was the way the old river run

And a, ya think ya got it all made out
And a hot shot was checkin it out mama

Yes you've gone down to it once again

And I said my friends
Come sweet emotion

Show us how to ride

Give us a wink

Hitch up the saddle

Riden off with pride

Shoot your gun

There's no religion

This is supposed to be fun

Come sweet emotion

Come sweet emotion
The greatest thing about the blues

Is baby you got nothin to lose

Do you have to draw the line
Come sweet emotion

Show us how to ride

Give us a wink

Hitch up the saddle

Riden off with pride

Shoot your gun

There's no religion

This is supposed to be fun

Come sweet emotion

Come sweet emotion
