The challenger from a future time  
sentenced to the past for a forgotten crime  
They'll perish him for the perfect rights  
down through the years past time and space

Through the stargate, time and space collapse  
.... fly above the mist  
time ports them to their trash

The jury ends all the second breed  
Robots, powered by piston steam  
The spectacles fly into sea  
New Eliminators of atlantis - B.C.

War spilled in the funeral times  
Traited powders cross acid lines  
The world will see the battle on the arena floor  
Defines like the lasers went come to seal your coming  
on

Razor gate and lose the beast  
The sound of bloody war - war!  
Exagerated Death-face  
means a fly tucked to the sore

The jury ends all the second breed  
Robots, powered by piston steam

The spectacles fly into sea  
New Eliminators of atlantis - B.C.

Smoking powders, robots mercies, aliens, and jets  
The challenger erects, hes screaming "" Faces all  
reflect"  
So cast a bom into the heart, the cities neutrid core  
Humanoids a and genesis send to the allstreet floor

In dying moment the city flows in nash  
From out the chaos comes a challenger to vanish in a  
flash

The jury ends all the second breed

Robots, powered by piston steam  
The spectacle fly into sea  
New Eliminators of atlantis - B.C.

The jury ends all the second breed  
Robots, powered by piston steam  
The spectacle fly into sea  
New Eliminators of atlantis - B.C.

Atlantis! Atlantis! Atlantis!
