25 to life no f*cking the road
Is enemies in this b*tch and i donâ€™t trust the soul
So when iâ€™m open here iâ€™m eyes will make the
best of it
Break to the law you take care of the rest of it
25 to life got me feelin like iâ€™m stuck,
the only reason i survive is i donâ€™t give a f*ck
None of bad luck and i ainâ€™t never cry a tear never
going home
Nigga f*ck around .
