[Chorus: ~The Game~]

I got big money I drive big cars,  
Everybody know me,  
It's like I'm a movie star,  
Everybody know me,  
It's like I'm a movie star,

Everybody know me,  
It's like I'm a movie star,  
(2x)

[Verse 1:]

I got big money, everybody know,  
Brand new rose phantom, put those sixes on the floor,  
When I pull up in the hood, n-ggas say there go the  
man,  
I put them Asanti's and Nelly's on them rubberbands,

California license plates,  
Aftermath logo,  
Back with the Doc after a 5 year solo,  
Woke up in the club 10 bottles of the bub,  
Tell them hoes, I'm buying what they drinking,  
Just pour it up, all my n-ggas is banging  
What you claim just throw it up,  
If you ain't getting money like I'm getting go get a cup,  
If you ain't getting p-ssy like I'm getting,

Take one of mine,  
You know I'm in this b-tch with 20 dollars worth of  
dimes,

[Repeat Chorus:]

[Verse 2:]

Yeah, I'm from Compton, everybody know,  
I ain't riding on LeBron's that's 2004,  
I ain't riding on Kobe's that's 2005,  
If it ain't February's on the truck it ain't right,

Don't ask what I'm sitting on, mills on the rims,  
Lamborghini top unless I call it Lil Kim,

Walking through the club with a pocket full of change,  
Iceberg on my chest no man on my ring,

I ain't talking bout Jeezy, talking bout them gemstones,  
Medallion so big think I'm walking with my rims on,  
Tell the DJ we got a line outside,  
You can play it after Gucci and Dre just let it ride,  
[Repeat Chorus:]

[Verse 3:]

Girl let's make a movie, hop inside my car,  
I be Denzel and you can be just who you are,  
Ain't worried bout ya man,  
Leave that n-gga at the bar,  
Got some tint on my Ferrari,  
This movie is rated R,

Ya girlfriends is extra's,  
Baby you a star,  
And it's time to burn rubber no stuntman involved,  
Doing a 100 on the highway, pulling on my gear shift,  
Your girl got her hand on my cock but I ain't Will Smith,  
Baby I'm a baller, inside outside,  
Cool N Dre track and this muthf-cker bounce right,  
Yeah it's aftermath and we back in the club,  
While you wait for Detox let this muthaf-cker sulk.  
[Repeat Chorus:]
