[Hook: Dre from Cool & Dre]

I got

Black cars, black broad, black yeezys

Blacks in a backpack, breathe easy

Black presidential rolls, black pieces

You know why, cause I'm the young black Jesus

Yeah young black Jesus

You know why, cause I'm the young black Jesus

Yeah the young black Jesus

Yeah the young black Jesus

[Verse 1: Game]

Yes sir, the young black Jesus

Walking on water in them young black yeezys

Five albums five masterpieces

Can't leave rap alone the game needs it

Can't leave gats alone I gotta family

Nigga that sold grams nominated for a Grammy

I gotta thank myself, I'm Jesus

Me and my apostles play the corner like Revis

Now I'm on Noah's ark floating through Saint Regis

You know how Jesus do

Pull up on you in that Maybach coupe, hop out, tape
pursuit

Lamborghini merci beaucoup, mwah!

Couldn't do it without Jesus

Got a passport fuck I need with a visa?

Got a black card fuck I need with a Visa?

I don't fuck with 'Bron but got on them south
beaches

[Hook: Dre]

[Verse 2: Game]

Pull up, holy ghost, they have seizures

Hop out, gun smoke, the gat sneezes

Niggas see me in real life say "oh Jesus!"

Might just save your life and not squeeze it

Heathen ain't supposed to be breathing

The hood crucify me came back as black Jesus

Audemar shitting on niggas, that's feces

Brown Mase tangerine guts, that's Reese's

Tune on the album ain't have to pay for the feature
That's the way it go down when it's YMCMB shit
Stunna my nigga came into the game and Master P shit
Bought a red Ferrari for the young black Jesus
Give me Stevie's eyes black Jesus
So I can see why they killing in the Chi black Jesus
How did Chris Lighty really die black Jesus?
