[Verse 1- The Game]

Get a blunt, roll the weed, light it up nigga,
Sipping on Gin and Juice fill up your cups nigga,
The Westcoast back crackin' like it's 94',
So bitch get on your knees and give me head like it's
94',
And don't come up for air 'til the beat drop,
I'm the Doctors Advocate call it a sneak peak,
at the mudafukn Detox, take note grab a pen,
And let the world know the west is ridin' again,
I Graduated from Dre's school top of my class,
Treat my switches like my bitches got me dropping that
ass,
Still bangin' the chronic like doggiestyle came with it,
And I roll a sticky on my bitch back while I hit it,
I done been there, done that, had beefs and won that,
5 million records on 1 plaque I hung that,
Still got Dr. Dre low ridin' in the 64',
When you see us, throw it up for the fukin' Westcoast.

[Chorus]

My heart beat for the Westcoast,
We pull the best weed in the Westcoast,
We low ridin' in the Westcoast,
So im'a die for the mudafukn Westcoast.
My heart beat for the Westcoast,
We pull the best weed in the Westcoast,
Still low ridin' in the Westcoast,
You should take a trip and visit the West coast.

[Verse 2 - Snoop Dogg]

I done seen niggas hit LA and get dey chain snatched,
Then they call me up, beggin' me to get dey chain

What I look like the mudafukin Police,
It's certain rules you got to follow, when you in these
streets,
Especially when it comes to this Cali shit,
And I ain't talkin' bout hangin' in the valley Bitch,

Damn, I heard blue rag niggas ain't fucking with the

Since jealousy breeds hatred, hatred breeds violence,
Violence breeds enemies more permanent silence,
California alliance, is more important than ever so

We low ridin' together (YEAH!)
Make the Westcoast rise forever, esse's B's and C's

Got Game the go getter, Xzibit the rhyme spitter,

For one of my niggas draw that hammer and dump off,
This kush you gon' cough, (Cough, Cough)
