Get banged on like the treble makes
The dumb mistake tryin to jumpin with blake
These niggas in my lane
Lob city in these streets
Jesus piece on my chain

I went through hell to get to where heaven is
Lucy in that red dress lookin devilish
Scale a 1 to 10 she lookin elevenish
If she aint ridin shotty AK 47 is
Shorty came to me when she left her man
I looked at her and said you sumthin else
But the best way to get over sumbody
Is gettin under sumone else
On that note im in that 1,2,3 pin that
Baby tellin me im the best I b yellin i been that
In the club half a pill and a full clip
Get a deal on a Rose no bullshit
