See the bitchez be wantin' a thug
And the ladies be wantin' a gentleman
If you don't wanna fuck wit a thug
I suggest you ride wit Ne-Yo

This sex appeal can't be bought
It's not a skill, can't be taught
This is a gentleman's affair
If that's not you then please be off

This sex appeal can't be bought
It's not a skill, can't be taught
This is a gentleman's affair
If that's not you then please be off

Fuck this old nigga whistlin' fo
Outside my door apartment 5B
While I learn to cook my first ounce of raw
Use to whistle while I work

She whistle while she twirk
Bitch bounce that ass while you roll that blunt, it can't
hurt
While you wet come out of that skirt
Bend over make it squirt

You can be my Superhead, maybe we should try that
first
Let me whistle while you jerk
Run my hand up ya shirt
If you wit it say you wit it let me hear my birdies churp
(We like it)

Backshots make a bitch go bezerk
The game will make it hurt
T-Pain know Ima flirt
(And we love it)

Get ya ass up and fuck me then
I know you brought your girls
Girl fuck ya friendz
Matter of fact, I wanna fuck ya friends

Nah, I ain't mean it like dat, shit

There's the door, swags a standard
No less no more if you have none
Let Nezy know 'cuz that's all they checkin' fo
Flashin' paper, player, stop it

Swag is in you not in ya pocket, try to buy, ain't gone fly

She likes the way that everything I do, it so fresh and
so clean
My tone is free, no need to scream [unverified]

It's not a skill, can't be taught
This is a gentleman's affair
If that's not you then please be off

Can't be about C-notes
She know my pockets deep enough to see a deepthroat
But she won't see a dividend like 3 times [unverified]
And that's triple X rated, 'cha know?

My bitchez only want the weed, some X and some blow
Know not ask for the keys or no extra dough
I give 'em dick, no dough, she give me shit she go
All she got waz a baby and a Game logo

That waz then this is now, lift it up, break it down
I go in she come out
That's when the pussy make the sound
It will never be the same everytime when you fuck wit
Game

Silk sheets, long dick, hot tub, Lil Wayne
Like I ain't never ran from no pussy
And I damn sure 'bout to pick a day to start runnin'
