It's not that I can't stop, it's that I won't stop  
I make it hot, I do it  
I'll be on top, as soon as the beat drop  
I'll make the whole club rock, I do it

Lace my Air Ones up, put my gun up  
I don't need that, I'm riding wit Dre  
Who don't love us, every hood throwin' they dubs up  
Who the fuck yall thought was comin' after Young

Sit her next to these yellow bottles, yeah right there  
Matter fact I'll take you in the back

Lets have a gangsta party  
Somebody lean over and tell Banks to order another

Yo Doc give them a coke with that, wake up the west

From the hood, liquor store to the state pen

When that Impala bounce, you can see the chrome  
under  
I got em' in every color, yeah I'm a known stunner  
When I hit a switch, I get higher than long jumpers

Low ridin' with a hood rat or a grown woman  
And I'll do anything but I won't fuck Mariah  
Even if she had Ashanti butt naked in bed  
'Cause she got a forehead just like Tyra  
I can say what the fuck I want, you thought Dre retired  
Left me in 6 4, when his Dayton wires  
These niggaz is a waste of rhymin', Doc got somethin'  
to say be quiet

Look out for Detox
