A fuck nigga, thatâ€™s that shit I donâ€™t like
They throwinâ€™ bottles, Iâ€™m throwinâ€™ models
Just â€™ cause I give a bitch long pipe
Doing shows on the soccer field, thatâ€™s dome right?
I be singinâ€™, he be singinâ€™, so itâ€™s on fight
But hold up, I ainâ€™t give a nigga no green light
This head up, my bread up, one-on-one, what you
scared, bruh?
Matter fact, take care bruh, you a pussy nigga
My nigga Tunechi, yeah that nigga nice
Shout out to Nicki, man that ass tight
Them eyebrows, man, them shits is yikes
OVO, you overdosed, screaminâ€™ YOLO no, I live
twice.
