You wanna get down  
I get down right  
[Repeats]

If I met Beyonce today I'd tell her I love her  
And maybe we can play... under my curtains  
The dream I had about you last night  
I am telling you now  
Lights off so we can have the destiny child  
... Jay-Z who's got the best of you now  
We can watch [?] and you can wrestle me down  
One night stand one night into town  
One call to make sure you're home that's how I get  
down  
Like Keisha [?] flow so I am gonna take it easy and put  
the patrol down  
Go to Merry [?] get some weed to blow you're my big  
brother... know  
Living the good life

I just wanna fuck (repeats)

She ain't never been shit  
New was not now talking shit  
All I did was fuck her  
She's mad of all these celebrities...  
Nothing but a gangster posted in the...  
I know you post it when you see us  
Fly real high higher as we wanna be  
I got Justin Simpson call me...  
Fly white bitches but I am gonna be...  
Tell my nigger game only...  
So we can get that cheese  
We got bitches that can make it happen over seas  
I could fly... sexy Rihanna  
Kind of look like Rihanna

I just wanna fuck (repeats)

She is [?] it's time to take her home  
And the [?] cd is time to get dope  
It's 2 o'clock in the morning

And I am mowing  
One hand on the wheel  
The other hand get her pussy  
I want it the way she's screaming  
I'm drunk I am [?]  
Walk or dreaming  
... this is wheel one  
Before I get you home  
Baby you will come  
... explosive before she notice  
I'm gonna get you under hypnoses  
Get you open while I make love to your mouth  
I pull it [?] coming out my mouth

I just wanna fuck [repeats]
